Division VII Oriental Hybrids	16	Order Form	35

Welcome to the NALS 2012 Seed Exchange. The seed exchange is the result of the generosity of the members of The North American Lily Society.

1. The NALS Seed Exchange Catalog will be mailed by conventional mail to members who requested a paper copy. Copies will be mailed to Donors first, then to overseas members, then to Canadian and U.S. members. The goal is to try to have the list arrive with donors first then all other members at the same time. The list will be published on the NALS website for general membership. NALS members who signed up for electronic distribution / notification will receive an email notice of posting which will be timed to coincide with mailed delivery dates. This list expires June 15, 2012 and may be removed from the NALS website at that time. Please see that your order is received before this deadline.

2. We will continue to accept Visa and Master Card as a form of payment. **Take time to ensure your card information is correct and legible.** PayPal will be accepted again this year. Please read the ordering procedures section below!

3. We are again offering bonus seed to all donors. One (1) free packet will be given for every seed number you have listed. (Maximum of three (3) packets.)

4. **Pictures!** With the assistance of select donors, we have posted some pictures of the parents of the seeds on the NALS web site. Photos will be on the web site with the list, (no more hunting for the image!). Click on the thumbnail image to view a larger depiction of the flower, use your back button to return to the list.

5. **Descriptions!** We have tried to include as much of a description as the donor has provided. The better the description, the more likely someone will find a reason to purchase the seed. We assume most of you have access to copies of the RHS International Lily Register; lily books, etc. such that you can look up a description of named lilies. If you do not have the International Lily Register, you can purchase it from the RHS or access the web site created by Gerry Danen at www.lilyregister.com and click on Lily Register.

6. Whenever you see a donor remember to thank them for the effort they have put into making the Seed Exchange possible. If the donor took the extra time and effort to submit photos thank them for that additional effort as well! It is the fervent desire of many of the donors that those of you who purchase some of their seed continue their work. Please consider doing so. If you have success with someone's material, let him or her hear about it. Everyone likes hearing about his or her offspring!!

A Big Thank you to all those who contribute!

7. **Some Disclaimers.** Every effort has been made to inspect seed and to ensure that the seed you purchase has visible embryos. Where seed is very small, dark, or where embryos are hard to distinguish we have tried to give some indication of this fact. If you wish clearly visible embryos do not order from these lots. In some cases extra seed has been given to compensate for these conditions.

You may experience reduced germination from some tetraploid crosses. You may also note that tetraploids do not grow as rapidly as diploids do. We have not attempted to compensate for these deficiencies by including extra seed as there is more intrinsic value in tetra seed and the reward from tetras is in the size and form of the resulting plant. You may experience significantly reduced germination from interdivisional offerings.

8. Seed Listings

Seeds are listed by Division and identified by seed number, donor, and description. The seed numbers are interpreted in this way. The first digit identifies the Lily Division or category; the second digit gives the year of the sale (2 for 2012). The other digits identify the seed lot itself. This code establishes a unique number for each lot for ten years.

Seed Ordering Procedures

Please read this section carefully. By following the instructions and suggestions given below you will have the best chance of getting the seeds you want in the shortest possible time. Please follow the directions given in the "Auction" section if you wish to bid on auction items.

1. **Order by mail, or email** (phone or fax orders not accepted).

2. **Conventional Mail Orders:** Use the order form attached. Order by catalog # only and list your 2nd and 3rd choices (please do not repeat any numbers from the first column as your 2nd or 3rd choices). Be reasonable in your expectations about your chances on small and desirable lots; if you are not a donor, desirable lots containing only a few packets typically sell out within the first 20 or 30 orders (mostly from donors who order early). If you pay by credit card, you may request that your order be reduced to whatever we can supply and we will recalculate your charge for packets and shipping. A small receipt will be included for charge orders to show the billed amount. **Keep a record of your order, as order blanks will not be returned.**

3. Electronic Ordering:

A simple email to michaelhomick@gmail.com with the list of seed packets desired and alternates if possible. Your order will be pulled and an invoice returned with payment instructions.

4. Send payment in U.S. currency payable to NALS.

- Visa and Master Card (only!) are accepted. PayPal accepted. It worked quite well last year. See NALS website for PayPal details . - U.S. members use personal checks, money orders, credit card, or PayPal.

- Canadian members may use personal checks (Please mark your check "U.S. Funds", do not calculate monetary exchange rate), Canadian customers please be aware that your bank may charge high fees on a personal check written in US funds. Money Orders in U.S. funds, credit card, or PayPal are acceptable.

- All other members make payments in U.S. funds using bank drafts payable through a U.S. bank, International Money Order, credit card, or PayPal.

5. **Pricing.** Seed is priced at **\$1.20 per packet for 2012. .60 cents per packet for previous year's seed.**

Please note new shipping charges are in effect for 2012

US & Canada		Overseas - International
1-20 pkts	2.00	4.00
21-40 pkts	3.00	5.00
41+ pkts	4.00	6.00

Please calculate these charges based on the number of packets ordered.

6. **Limitations.** The following limitations are intended to make desirable seeds available to as many members as possible. The filling of seed orders is still on a first-come-first-serve basis, but the chance is better that the seed you desire will still be here when your order arrives. However, when there are only a few packets of seed, the earlier your order arrives the better your chances.

a. The limit on packets for any individual seed number is: 1

b. The limit for this year's seed is 30 **Seed Packets**. There is no limit on the previous year's seed.

7. Some members may want more seeds than the above limitations allow. We will accommodate those members with the following procedure. For orders of this year's seed that exceed 30 seed packets, we will fill your order up to the first 30 seed packets and then suspend your order until May 1, 2012 before completing it. The initial fill will be held until after May 1, 2012 unless you include postage or two separate mailings. Please be sure to include alternate choices if you wish to use this option.

Abbreviations: These abbreviations are used in the list: OP = open pollinated, HP = hand pollinated, PP = protected pollination.

(Note: We have assumed that most hybridizers use some means to ensure that their intended cross is protected from previous or unintended pollinations. All of these crosses could be labeled as protected pollination. We have just omitted this designation unless we have been made aware otherwise by the donor), sdg./sdlg = seedling, IE = immediate epigeal, DE = delayed epigeal, IH = immediate hypogeal, DH = delayed hypogeal, w/ = with, OT, O/T = an Oriental/ Trumpet hybrid. Most others are basic. Enjoy this seed list!

Auction Items

The deadline for receipt of auction bids is April 22, 2012. Please submit your bid(s) by mail or email. Submit your bid on a sheet of paper and include not only the seed number and amount bid, but also your name, address and phone number. The minimum bid is \$3.00 per packet. With multiple packet lots, the highest bidders will receive one packet each. If there are identical bids, the earliest one received will be the winner. Do not send money for auction items: We will send seeds to the successful bidders along with an invoice for payment.

AUCTION ITEMS

Minimum bid \$3.00 – bidding closes April 22, 2012

Division I			
A2-101	Brian Bergman	Lionheart x mixed pollen	2 packets @ 14 seeds each
A2-102	Joe Nemmer, PA	Tangerine Tango x ((BA x JL)F2 x sib)	2 pkts
Division II			
A2-103	Davids Herbergs	Kiaras OP	4 pkts
A2-104	Davids Herbergs	T4SvS OP	3 pkts
Division IV			
A2-105	Joe Nemmer, PA	Foggy Morning x (Red Giant x L. parvum var hallidayi)	2 pkts
Division VI			
A2-106	Eric Duma, NY	Roy's Select x Red heart Aurelian	3 pkt
A2-107	Brian Bergman, CN	Toasted & Burnt x Redheart pollen	1 packet of 12 seeds
Division VII			
A2-108	Joe Nemmer, PA	(Raptura x L. speciosum rubrum) x (Casa Blanca x L. gloriosoides)	1 packet of 18 seeds
Division VII			
A2-109	Brian Bergman, CN	Formolongi x L. rosthornii, dark heart	1 packet of 16 seeds
A2-110	Brian Bergman, CN	Formolongi x Northern Carillon	1 packet
A2-111	Brian Bergman, CN	Formolongi x mixed sdlg OT pollen late material	1 packet of 10 seeds
A2-112	Joe Nemmer, PA	Ice Follies x (4n green x 4n pink)	1 packet of 10 seeds
A2-113	Joe Nemmer, PA	Northern Dazzle x (4n green x BA pink)	1 packet
A2-114	Brian Bergman, CN	OT-8-07 redheart x Roy's Select	1 packet of 10 seeds
A2-115	Brian Bergman, CN	Raizan#1(Formolongi) x Crystal Blanca	1 packet of 10 seeds
Division IX			
A2-116	Paul Machado & Michael Homick, CA	L. majoense was collected at Y Ty, about 30km north of Sapa, near the Chinese border at about 1800m. The underlying rock here is granitic and I suspect the soil is somewhat acidic	4 packets of 10 seeds
A2-117	Paul Machado & Michael Homick, CA	L. poilanei - collected on limestone near Sapa in NW Vietnam at about 1,600m -	4 packets of 10 seeds

PREVIOUS YEARS SEEDS

All seed in this section is priced at \$0.60 per packet. There are no limits on quantity.
