## Cover Credits

*Front: * *Lilium polyphyllum* grows in forests of northern India. Much of the known population of the lily, which has pendant white flowers with purple freckling, is threatened with extinction. Photo by Anurag Dhyani.

## Errata

- Photos on pages 22-23 of the March 2017 Quarterly Bulletin were taken by Jeff Stiller.
- On page 18, the photo is of an unnamed OT Bob Griesbach hybrid.

The editor apologizes for the mistakes.
